"You need an Ordnance Survey map to find your way round these boys," titters Brook. "I don't mind if you get lost though – take your time and admire the scenery! Snap Snatch

My boyfriend and I love for me to show off my body. I used to pose only for him but then it progressed to a few close friends.

Then I got into posing for the local amateur photo club, who used to pay me to pose. I really enjoyed showing off my body and getting paid for the pleasure.

I could be as tartly as I pleased, showing off my

hairly cunt to strange men and watching them get turned on.

My boyfriend used to come along with me and watch the men taking photos of me. The brave ones would ask if they could touch me.

They'd ask to pull my

leg here or there, or open my cunt lips. A couple even fingered me.

This was too much for my boyfriend and at

tea-break he took me into the toilets. He bent me over and proceeded to give me a good fucking.

One of the club members came in and saw us. He got out his prick, which was average in size, and started to wank himself.

I leaned out and did it for him and he shot his spunk all over my hair and face. Now at the end of the photo shoots I take it in turns to wank them all off.

I have now taken a job as a lap dancer and get to show off as much as I want, again getting paid for my pleasure.

If a hunky bloke pays for me to strip I let him suck my nipples and finger my wet hairy cunt. I'm not supposed to but I can't help it!

Jody, Wilts.

Risky Business

Ive always liked a bit of risky business – screwing around, fucking in public, that sort of thing. One stud I had recently was so good I thought I'd tell you about what we got up to just before we split up.

Ben – not his real name – was a financial adviser, so one day I rang his secretary, giving a fake name and asking could I come into the office to discuss becoming a client. His face when I turned up was just fucking priceless.

I got a dirty look off the secretary – result! Ben played it cool and showed me into his private office, shutting the door behind us. I sat down in his big leather chair and put my feet up on his desk, unbuttoning my jacket to reveal just a tarty red bra underneath it – so skimpy my tits were already half-spilling out of it. My skirt was short and tight, and when I crossed my legs it rode up. Not far enough to expose my pussy, which was knickerless and

cheeks wide, and bumped his helmet up against my slit, getting me all excited. Then he just banged it into me again, so hard and sudden it almost knocked the breath out of me. He was shagging into my pussy, squeezing my arse cheeks really tight together around his shaft.

My tits finally fell out of my bra and slapped up together as he thrust in.

Ben gets off on talking dirty, and as he fucked in deeper, grinding around, he told me I had the "tightest fucking cunt he'd ever stuck his prick in".

He said it quietly and we were shut away from his colleagues, but I still wondered if anyone could hear us.

That thought set me off cumming, and not long after, Ben shot his load into my tight, sopping snatch.

rubbing my bare cunt up against his legs. I could feel my wetness soaking into his trousers – so could he, probably.

Next, I got to fulfil a fantasy – sweeping all the papers and stuff off his desk, clearing it so he could screw me on it, just like you'd see in a

cunt and started to thrust.

He was gritting his teeth as he slid me around on top of his desk.

Ben's always been a bit of a stop-start fucker. Rather than pace himself he'll give it to me full-on, then make out he's changing position for my benefit and not because

he needs to get control of himself again. Not that it bothers me – I'll get three fingers up my snatch, keeping myself on the boil until he's ready to use his cock again.

This time, he pulled out of me, moved me round and bent me over his chair, my hands on the arms. He used his hands to pull my arse-

He stayed in me for a few seconds, stringing out the feel of his prick throbbing against my inner walls.

I gave him one final jolt, bending over to pick up the stuff I'd swept off his desk, giving him a really good view of my bare bum and well-fucked cunt.

Lucinda

We can't blame Lucinda's other half for being a couch potato – you wouldn't move either if you were sat next to this girl every night, or if you were waiting with trepidation if she was going to turn up at all. "My husband is rather long-suffering," she confesses. "He's very much in love with me, but I have needs, and he just has to accept that. He watches Formula One for hours in end, but I want to experience love, laughter and lots of cocks!"

REAL WIFE SEX

Jessica, Harrogate

Jessica sees horse sense and rides the studly stable lad

A stable re

I've been riding since I was a kid, but now, in my late 20s, it's one of a number of pleasures I have in my life. Recently, I got to combine it with my favourite pastime, thanks to a horny stable lad.

I'd noticed him watching me as I was riding around the field. He was supposed to be fixing the broken roof tiles on the stables, but I could see that he wasn't getting much work done. He was way

more interested in what I was doing.

Not that I minded, because he was tall, muscular and rather fit. "Right," I thought to myself, "If you want something to look at, I can put on a real show for you." I started popping the horse over some jumps, giving him a good eyeful of my firm round arse in my tight white breeches as I lifted out of the saddle just a little more than necessary. I even undid a couple of buttons on my shirt as I got

hotter, which had the bonus of giving him a better view of my big tits from his vantage point on the roof.

I made sure that I sloshed the soapy water about when I washed the horse down after our workout, to the point where my white shirt was almost see-through and clinging to my body and my long leather boots were covered in bubbles. Then, when I was sure I looked suitably sodden, I walked past him

slowly, giving him a good chance to ogle and a wry smile as I disappeared into the darkness of the tack room. I didn't have to wait long.

I knew that he was behind me when I felt his hot breath on my neck. "You horny, teasing little bitch," he whispered, "I nearly fell off the roof at the sight of your tits bouncing around out there."

"You shouldn't have been looking," I said with mock disdain, gasping as his hand briefly brushed against my bottom and then slid between my legs to rub by

slit through my skin-tight breeches.

"I couldn't help it," he said. "You got my cock twitching as soon as I saw you." He took his hands up to my waist and pressed himself against my arse so that I could feel his cock straining against his jeans. "So," he said, "you gonna help me out? It won't suck itself, you know!"

"What kind of girl do you think I am?" I said, still pretending to be offended by this stud's suggestion, "I could get you fired in a second, just for looking at me!"

He laughed and quickly spun me

around so that I was facing him. His hands roamed all over my body, one slid inside my shirt to grab a handful of tit, the other straight down between the front of my wet breeches and my damp skin, pressing against my sodden pussy.

"Looks like I'm not the only one who's turned on," he said, as his fingers found my clitoris and started rubbing. "You're all the same, you posh birds. I bet you enjoyed

BEKAA

BEK TO BED

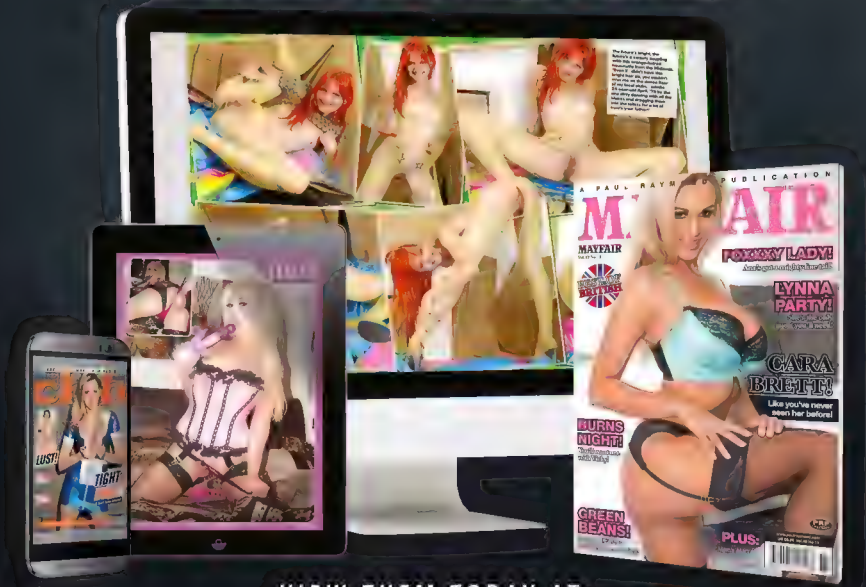

New girls are great, new girls get us hot. There's something to be said for the fifty-tog duvet embrace of an old fave – a Katie K or a Kacie James – but new talent is what we're all about and here's a bracing glimpse of dishy debutante Bekaa from Herefordshire. Flame haired and hot hot hot in the sack, like our old man just before he died in that tragic smoking in bed accident, Bekaa has never been shy about showing off her body, working as a life guard before posing in our pages. Well, looks like she's still a bit wet!

There are three rites of passage in life – birth, death and when you saw Ella Hughes pretending to get married in Escort. She's bleeding gorgeous isn't she? Several of our staff are married and, before realising these pics weren't genuine, rushed out to the chemist to buy razor blades before we assured them that Ella hadn't ruined her life, and theirs, by fastening herself for life to a vaguely inappropriate partner who nevertheless they didn't feel strong enough to free themselves from because they're "their best friend" and they do the dishes on a Sunday.

I pulled him to the floor, sucking and nipping him all the time. He held my head and worked me up and down on him.

Then I felt Dave's hands on my arse and his tongue exploring my oozing cunt. My g-string was

Slut mania

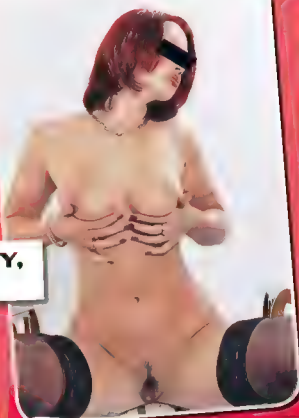

A few weeks ago I went shopping for a new sexy outfit. Before long I was kitted out like a million-dollar tart. I tottered along on my new stilettos, with my sheer stockings veiling my long legs. Cool air wafted around my thighs, over which my taut suspenders slapped with each step.

My tits were pushed up by a tiny silky bra and my g-string sat between my cheeks and rubbed against my clit. A low cut top displayed my cleavage and a mini-skirt just covered my stocking tops. I'd arranged to meet Dave in the pub and all

When he sat down again, he said, "You look gorgeous." Smiling, I pressed my leg against his and gave his crotch a friendly squeeze too.

I made a quick decision, knocked my drink back and ordered, "Come on you two, home!" When we got there, I simply dropped my skirt, threw off my top and kissed Pete full on the lips. He clutched at my naked

buttocks as I ground my belly against his growing erection. I undid his belt, pulled at his zip and yanked down his trousers and briefs. His enormous cock sprang free and upright, and I wrapped my lips around it. I took it

tugged to one side and Dave's prick was pushed into me.

He rammed his rock-hard member in with rhythmic solid strokes in time with mine on Pete's cock. I knew I was cumming and bucked my arse to meet Dave's thrusts.

Dave came first with a howl of ecstasy. Then Pete came, filling my mouth with salty spunk. Dave's last stroke took me over the edge and I orgasmed, my cunt muscles milking the last of his cum.

Both men looked shagged out, but I wanted more. I

nibbled on each prick, rolled their balls in my hands and soon revived them. Pete grew and grew in my mouth until his length was solid. I moved back to Dave, whose tool wasn't as long as Pete's, but thicker by now and just as iron-hard.

I straddled him and impaled myself, screwing myself downwards on him. I moved forward and sensed Pete 'at my rear end, dribbling saliva onto my arsehole and working it in with his tongue. His pointy tongue pushed inside me and I clenched even harder on Dave's cock.

The sensations in my quim and anus at the same time were driving me crazy.

I pushed my arse back onto Pete's tongue, desperately wanting him to push his hard dick into me.

My ring contracted briefly then relaxed as he pushed himself in, slowly and gently. I felt the head of his prick enter, then his foreskin bunch up at my opening before it flopped in, followed by the rest of his cock until his balls banged against me.

My two tunnels were gripping both men so tight they couldn't move.

I moved faster, pinching their cocks with my muscles.

I began to buck and twist in a frenzy, calling out their names and howling with absolute pleasure. Then my orgasm rolled out from my cunt to my swollen nipples.

The spasm in my two holes made both men empty their hot loads into me at the same time.

We all collapsed in a tangle of sweating arms, legs, tits and cocks.

Kirsty, Kent.

TIPPANY

OK, you got us. Tiffany Fox isn't one of the boner fide British babes we usually stuff our pages with. But she was over here on holiday ("to see the Eiffel Tower" - typical Yank, eh?) and came to see us. We thought it would be rude to preclude her on the basis of nationality because firstly she's fit as fuck and can wrap her legs around her head so she resembles a delicious salty pretzel, secondly we're all London liberals in the office and welcome those of all colours and nationalities and thirdly, they're letting anyone in these days, aren't they, so we did too.

ALLIE

We were always warned not to go up dark alleys at night, but this Allie is strawberry blonde, so we thought it safe to venture into deepest Croydon to check her out. But when we met this attractive girl, it was her checking us out, eyeing us up and down, taking more care gauging the size of our packages than the man at the Post Office counter. "I'm very turned on by big cocks. I fantasise about one as long and thick as a bottle of wine jabbing into me all night long. You lot don't look like you'd be much help. But your readers...?"

Confessions of a

SEX ADDICT

**CAN MEN
MAKE SEX
FEEL EVEN
BETTER?**

Professional pleasurer Tiffany Snow thinks men aren't seizing the sexual opportunity afforded by the little blue pill. It's not just for old codgers' todgers, she says

suggests a lack of virility.

I have known men become offended at the suggestion of taking one as if I was accusing him of not being up to the job of pleasuring me. Other guys seem to think that it automatically makes your penis rock-hard without any prompting. When I mention that Cialis remains active in the blood for three days it always amazes me that intelligent educated professional men seem to believe they will be fully erect for three days without any control over it what so ever!

Then there's the group of

guys who say they don't need it because I will be more than enough - the kind of guys who think real men don't need it. If only men

guy wants to make the most of the time with me which is usually an hour. It doesn't sound like long but I have made a guy cum over five times in an hour so you'll be surprised how much we can do together.

It's not hard for me to have a man cumming quickly with the sheer overwhelming pleasure I can give him with the skills I have learned and perfected.

So how should a guy get the most from his session? Bearing in mind I don't do refunds

and guys don't usually have the ability to go again and again non-stop like women can, they normally need a little rest. Some guys will maybe unload a few hours before our meet so that when they meet they are less likely to shoot too early. Other guys will let me know they'd like me to take it slowly with them and I can build the moment up so they peak right at the end. Other guys have the ability to cum a few times in an hour with short breaks in between.

Pills like Viagra and Cialis are hugely misunderstood and the main problem with these is that straight away the words "erectile dysfunction medicine" sounds like you only take it if you have a "problem" and

Some guys unload a few hours before our meet so that they are less likely to shoot too early

understood how these medicines work! How they can make their whole experience more enjoyable for you and even for me. How they will only enhance your erection when you want to be aroused, and not at your important business meeting!

Men have finally been

For girls, a flood of sex toys, clothes, tools and machines give us new forms of pleasure and improve our sex lives. I can cum so hard in less than a minute with a Magic Wand on my clit while a guy slowly slides his dick in and out of me.

But it's much harder for me as a professional pleasure giver to find a way to improve a man's enjoyment of sex. Fortunately most men don't require much more than a naked woman, (especially one as skilled and experienced as me!) to have the best time of their lives. That's probably why there isn't as much demand for male sexual enhancements.

One major development for men has been the invention of Viagra but I am amazed at how little guys know about it.

When coming to see me, a

given that chance to have even better sex. You finally have your version of our rabbits and wands – if only you appreciated how they work. Viagra simply relaxes the blood vessels in the penis. This means more blood flows into it and stays in it, making it harder and fuller and more sensitive. The end of your penis is where all the pleasure comes from – if it's fuller with blood, it's more sensitive.

When I run my tongue up and down it while on my knees, looking you straight in the eyes dressed as a tarty little schoolgirl slut you will enjoy the sensation so much more. Your rock-hard cock pressing in the side of my mouth will feel oh-so-delightful. Your penis will sense every stroke, lick and touch much more keenly.

It feels better for me too and means we can ride it much better in more naughty positions. As you remain hard as iron, so you can feel much

naughtier as I gag on your stiff prick and ride you reverse cow girl without it popping out.

So for me, as long as you do not have any pre-existing medical conditions, the people who benefit most from these medicines are ordinary guys. The woman you are with will be grateful too. It has also been shown to raise you testosterone levels and I am positive women can sense that on a man and it turns us on more.

So you see rather than this being a thing for old guys or guys with erection problems it can also give totally normal guys the best sex of your lives. Your cock is full to bursting, ecstatically sensitive and your sexual desire is at its highest. The feeling you will give the woman is so much better that she will want to fuck and suck you even harder.

So men, leave us ladies to our wands, our vibrators, our nipple clamps and a million other things to heighten our arousal. Now there is something that men can take legally to enhance their own enjoyment of the greatest activity in the world. Sex!

These old granny names are coming back into fashion, aren't they? It won't be long before we have a three-girl baby oil romp starring Doris, Enid and Ethel. Despite her name, of course Pearl doesn't possess any trace of Victorian prudery. Stripped, shaved and slippery with soap, we see her more as a Tudor serving wench, Restoration courtesan or 20s flapper in her timeless sex appeal. And we'd test that theory, if her boyfriend Athelstan hadn't just turned up...

Bugger Bus

Monday morning, my usual boring routine took a fucking horny twist.

I was waiting for my bus into town. When it turned up my jaw hit the floor. I recognised the driver as a lusting lezzie I had briefly met at a nightclub.

She had been up for a good fucking on that occasion but it never happened. I remembered her name was Charlie and she looked just as

Following me up the stairs, she shoved her fingers up my skirt and into my juicy pussy. Then she pushed me onto a seat so I was on all fours.

She spread my legs and ripped my arse cheeks apart so she could fill my wet pussy with her warm tongue. She pushed her tongue in and out, fucking me with it.

I wanted to show her what I could do so I turned around and pulled her pussy and arse

thrusting her arse into my face.

The slutty butt-fucking whore obviously wanted strappy shoved deep and hard up her arse.

Gently I eased all ten inches inside her, but after that I just gave it to her hard

air with her feet over the top of the seats. I smeared some cunt juice around her arsehole and over the strap-on before sliding all ten inches in.

With her legs held high she grabbed hold of my arse and pulled me deeper, faster and harder inside her arse.

sexy now as she did then.

She eyed me up and down in my tarty work clothes (short skirt and blouse unbuttoned!). Winking at me, she let me off the fare and I went and sat at the back.

She obviously remembered me, and I sat in the middle of the seat so she could see me in the mirror. My skirt rode up and I spread my legs enough for her to see my knickers.

I was very wet and horny. Gradually all the passengers got off except me. I stayed on the bus until Charlie drove it back to the dark depot.

She turned off the engine and told me to stay where I was. Coming back from her car with a bag slung across her shoulder, she told me to go up to the top deck.

down onto my face.

I stuck my tongue inside her and flicked it all around her pretty pink pussy, her cum dripped into my mouth.

Then she opened the bag – dildo heaven! There were all kinds in there – small, big, very big (my favourite!), double-ended ones and a huge strap-on.

"Strap it to me, slut!" I ordered when my eyes fell upon the ten-inch strap-on. Charlie fastened it to me and then knelt in front of me with her arse swaying.

I leant over and, spreading her cheeks, started licking her butt. She was going crazy

listening to her squeal.

Soon she was begging me to fuck her horny arse. So I pulled the monster strap-on out of her swollen pussy and flipped Charlie onto her back.

Her legs were high in the

She screamed and came again and again while I fucked her butt hard. Her spunk splurged out all over the strap-on and my juicy pussy, mixing with mine.

REAL WIFE SEX

Jessica's story continued from page 19

lapped at my juices made me squirm with pleasure and press back against him. He began to probe my arsehole with his tongue, spitting on it and then pressing two fingers inside. His tongue on my clit and his fingers in my arse made me cum almost immediately, my whole body tensing

as the muscles on my arse gripped him.

I flopped forward onto the bales, shivering with excitement. "I'm not finished with you yet," he said, and flipped me onto my back. Then he

I dropped to my knees and showed him just how dirty posh girls can be

grabbed my ankles, pushed my legs up around my head and rammed his cock hard into my sopping cunt. I almost came again, my breath taken away by the intense sensation. The head of his cock bashed my G-spot and I felt like my head was about to blow off. He placed a hand over my mouth and told me to stop moaning so loudly, but I couldn't.

He pounded away at me, and I came and came, trying to stay quiet so as

watching me eye you up, so why don't you lock the door and then let me watch you sucking my cock."

"Sod the door!" I said, dropping to my knees on the straw-covered floor, my spurs chinking loudly. He dropped his jeans and I eagerly swallowed his cock, showing him just how dirty us posh girls could be. I dribbled and gagged as he grabbed my hair and began to fuck my face, loving every second of it.

"They you go, suck that nice fucking cock, suck it nice and deep." Nobody had ever talked to me that way, and I couldn't believe how much it turned me on.

Before I could make him cum he pulled me to my feet and gestured towards the hay bales stacked up in the corner. I began to take off my boots, but he told me to leave them on, and then pushed me over the bales, my pussy and arse in the air.

He roughly yanked my breeches and panties down and buried his face in my arse. His hot breath on my pussy as he

not to alert anyone as to what was going on. I felt him tense, and then he flooded my pussy with hot spunk before collapsing against me.

In the silence I could hear his breathing, and then footsteps on the concrete path outside. He pushed off me, yanked up his jeans and slipped out of the back door, looking back with a grin on his face.

I barely had time to get semi-decent, my cum-soaked breeches still pressing against my tingling twat, my blouse half unbuttoned, my face flushed red.

The yard manager walked in, her face stern and suspicious. She looked around the room, as if hoping someone was there, but my lover was long gone.

"Well, it certainly looks like you had a good ride today, Jess," she said, archly. I nodded, grinning. 📧

LUCY

Some of the girls in the office wear curlers too, like Lucy Zara here, but only to hide their cans of Special Brew in. "It's actually quite fashionable to show off your curlers," Lucy insists, half-remembering a Vogue feature from three years ago. We quite agree, Lucy. Those curlers are looking very fetching indeed. "Oooh, not those ones, you dirty gits! But they look nice too, don't they!"

to score for himself under the table, with a reassuring wink from Paul.

Paul didn't know that I had shaved my pussy but as Rob's hand started to rise higher up my leg I knew that it wouldn't be too long before they both found out.

Rob's finger slid into

Hole for a Goal

One night my husband Paul said that he was going to the pub with his mate to watch the football.

I asked if I could come, and he said I could as long as I dressed for the occasion. When I came down the stairs

as I bent over to fasten my black stilettoes.

When we got to the pub I sat at a table in the corner while he went to the bar, making sure that when

the bulge in his pants told me I looked good.

I had an England football shirt on, a very short, tight black skirt and my England panties, which came into view

he looked at me he got a good look at my red, white and blue thong.

Before the action on the field began Paul's mate, Rob, was trying

my smooth wet hole as I tried to open my legs wider so Paul could see his mate fingering his wife's cunt.

This was too much for Paul, who suggested going home to watch the action in private. We all hurried out of the pub and got a cab home.

Once home, Paul went to get some drinks as Rob and I got down to some action of our own. I took my wet panties off and begged Rob to carry on

Amster-Jam

My partner Felicity and I recently had a few days away in Amsterdam.

On arriving we settled down in our hotel before deciding to do some sightseeing. After a while we came across a sex shop and eagerly went inside.

We decided to buy a 14-inch double dong. Felicity took it to the till and the young lady behind the counter wished us many hours of delight with it.

Felicity jokingly said, "You can show me how to use it if you like!" To our amazement, she agreed and so we gave her our hotel

room and number and she said she'd be there

at 7.

At the hotel Felicity put on her basque and stockings and waited with growing excitement. At exactly 7.30 there was a knock on the door. Felicity opened it and there was the girl from the shop.

She was wearing a long black coat, white stockings, black leather boots, black bra and black lacy knickers. I got a the

biggest boner the moment I saw her.

She introduced herself as Jo and walked straight to Felicity. Smiling, she gave her a small peck on the cheek as she removed her coat.

They picked up the massive dong and started to fondle it and each other. I watched with my rock-hard cock in my hand.

As they got more excited they started ripping each other's clothes off. Felicity lay on

fingering my dripping cunt. But he said that he wanted to taste my juices instead. We went down on my cunt, flicking his tongue over my clit, which made me hungry

for his cock.

At this point I noticed Paul standing in the doorway wanking his stiff cock faster and faster. He heard me groan with delight as Rob's tongue probed my tight arsehole.

I bucked back and forth and my juices ran down Rob's chin. This was enough to get my husband spunking his hot seed all over my tits.

By now I was so horny I needed a good fucking. Both my husband and his mate were desperate to ram their meat inside me.

There was only one way for a horny slut to take it - up both holes.

I positioned myself above Rob, who slid his huge cock into my aching pussy. Paul then got behind me and eased his tool inside my wet arsehole.

They both went for it and it was the most amazing sensation having both their meaty cocks banging away at my holes.

It wasn't long before I was bucking like a horny bitch and I lost count of the number of times I came. To celebrate they both showered me in their cum.

I happily lapped up all their creamy spunk making them watch as I licked my own tits clean.

Rob has promised to bring a load more of his mates next time - I can hardly wait?

Claire, Lincs.

Lapping Lake

When I first knew Natasha four years ago she was very pretty but also very shy. It is incredible what a kinky kitten she has become!

One of our favourite kinky things to do is make love in

dived under and pulled her bikini pants off.

I could see her white skin under the water and the dark bush over her pussy. I got my cock out, and that was visible too.

Sliding one arm firmly round her waist, I drew her towards me. With a little help from

Natasha's hand, I slid inside her.

She bent back her head as I entered her,

gave a little sigh, smiled and closed her eyes, sighing with pleasure.

We started to move slowly, to avoid undue attention but also because it was quite an acrobatic task.

My tool glided easily in and out of her hot pussy and she moaned quietly her tight cunt clamped vice like around my solid shaft.

NATASHA, STAFFS

MY TOOL GLIDED EASILY IN AND OUT OF HER

the open air, especially if there are people around.

One of our recent kinky experiences happened in the summer when we went to a nearby lake to swim and sunbathe - and the rest!

There were quite a few young couples, enjoying the chance to cool off and relax.

As soon as we hit the water, Natasha's free hand started to fondle my dick. Despite the cold it was rock hard.

I paid her back likewise, my hand tracing up her thigh to stroke her pussy.

"I'd like to give you a blow-job, but I think I'd drown. How about you fucking me?" she asked, winking.

Nobody seemed to be taking any notice of us, so I

It didn't take me long to cum, and when I did I buried my cock in her cunt and bit my tongue to stop myself shouting my joy.

We made our way back to the shore thinking we hadn't been seen. We were wrong - two young girls giggled and gave us silent applause as we passed them!

Mike, Staffs.

CONTACT ME

Back and forth they went as they fucked each other. They changed places several times and fucked in loads of different positions.

They each had orgasm after orgasm. Then they got into a 69 position and licked each other out until they came again all

over each others faces over and over again...

Jo then got up and kissed me so I could taste Felicity's cum. With that she thanked us, pulled on her coat and walked out of the room.

As soon as the door was closed I jumped onto the bed and had the most incredible sex into the early hours with Felicity.

Martyn, Devon.
